

## CORPORATE DISCOUNT PROGRAM

Participating companies can now offer their employees significant discounts on their chiropractic care.

Back in Action Chiropractic Center is proud to introduce the **Corporate Discount Program** to provide VIP status to your employees. Employees will receive a discount card entitling them to discounts on services provided at Back In Action Chiropractic.

In addition, arrangements may be made for the doctor to provide **complimentary health screenings** at your chosen location. These screenings can give you, and the employee any indication of back, neck, or musculoskeletal disorders that may need to be looked into.

**Workshops** on ergonomics, and natural health solutions are also offered at no charge to participating companies to assist in preventing lost work hours and preventable injuries.
